FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Honorable Toby Roth
House of Representatives
2352 Rayburn House Office Building
Washington, DC 20515

Dear Congressman Roth:

Thank you for your letter on behalf of Ethel Pizl of Antigo, Wisconsin. Your constituent complains about rate increases by her local cable television operator.

The Commission has a clear understanding that Congress adopted the Cable Act of 1992 to constrain unreasonable cable rates. The Commission is in the process of formulating rules implementing the rate provisions of the law and is seeking public comment on those provisions that address rate rollbacks, refunds, and evasions of statutory requirements. The Commission will attempt to implement these provisions faithfully, and will consider the conduct of the cable industry during the interim period in deciding what kind of regulation is needed.

Your constituent's letter will be placed in the record of this proceeding so that the Commission can be mindful of her concerns during its deliberations. I trust that the foregoing and the enclosures are informative.

Sincerely,

Roy J. Stewart
